
the **POOL CLUB**
at Swansea Country Club

Effective August 4th Pool Club Members will be allowed to bring Guest(s) to the Pool Club

The cost per guest regardless of age will be \$15

Our capacity limit set by the state is still in effect and thus there may be a point we have to turn members and your guests away. We do not feel that we will have to turn members away as the club has not been close to reaching this capacity over the last several weeks.

Members who fail to check guests in will have their membership suspended without refund.

All guest must fill out a guest form for COVID tracking purposes in the event of a member, guest or staff member testing positive.
